**Anup Chandak**

has successfully completed the online, non-credit Specialization

# Modern Application Development with Node.js on AWS

Congratulations! You have completed all three courses of the Specialization. In this specialization, you learned how to design and build cloud-native applications on AWS.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
