has successfully completed the online, non-credit Specialization

# Modern Application Development with Python on AWS

Congratulations! You have completed all four courses of the Modern Application Development with Python on AWS Specialization.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
